

**Subject: Clarification of Association with "iChain"**

Dear All,

I, Md Mahedi Zaman Zaber (Founder of ZealTyro), wish to formally clarify that I am **no longer associated** with any entity known as "iChain" (led by Gazi Md Shakil Hossain). This includes institutions, organizations, companies, or groups operating under that name.

I voluntarily left iChain on **January 23, 2025**, and have since severed all professional and personal ties with the group. To avoid confusion, I kindly request that you:

- 1. Refrain from assuming any current association** between me and iChain.
- 2. Avoid directing transactions, inquiries, or communications** to me regarding iChain's activities.

Please note that any use of my name, likeness, or professional identity in connection with iChain is unauthorized.

Thank you for your understanding.

Best regards,

**Md Mahedi Zaman Zaber**
